

# Finish Line Ministries International: Who Are We?

Vision For A Growing Work In The USA And Africa

Founded in 1992, Finish Line Ministries International (FLMI) exists for the purpose of **Training Pastors, Equipping The Church, Providing For Orphans, and Reaching the Lost.** Headquartered in Columbus, Ohio, FLMI annually ministers to more than 100,000 people in the USA and Africa.

In a practical sense, the primary work of FLMI takes place in the United States of America, as well as the southeast African nations of Malawi, Mozambique, and Zimbabwe.

## USA

FLMI partners with churches, youth ministries, camps, conferences, colleges, and schools to present the truth of God's Word in a way that is powerful, practical and relevant. Often utilized as guest speakers for special events, FLMI's speaking team offers a unique style and has a proven track record of service and effectiveness.

Over the years, the Lord has blessed FLMI's preaching and outreach efforts as thousands of people have made life-changing commitments to Jesus Christ.

## Africa

In 2000, the Lord opened the door for FLMI to partner with a Malawian pastor by the name of Love Kaphesi for the purpose of training pastors and planting churches in Malawi, Mozambique, and Zimbabwe. At the time, Love had already planted 66 churches and had a combined congregation of more than

10,000 people. Though his churches were growing, he recognized the need for his pastors to be trained in basic Bible doctrine and church leadership. He turned to FLMI and asked for help. From this initial request, the framework for Finish Line Ministries Africa (FLM Africa) was formed.

Over the years, churches and friends of FLMI have prayed for and financially supported the work in Africa. Routinely, teams from the USA have traveled to Malawi to train pastors and preach the Gospel. Thousands of people have come to know Christ. Christians have grown in their faith. New churches have been planted. Orphans have received care and pastors have been trained.

Today, there are more than 80,000 people attending 225 FLM Africa churches in Malawi, Mozambique, and Zimbabwe. In addition, a pastors Bible school trains pastors and an orphanage and day school cares for and educates 300 orphans each year. To God be the glory!

## Connect

Consider utilizing FLMI's people, programs, or services to meet your specific ministry need. You can contact FLMI via web, phone, or email:
